A need was felt by us at Dhaka Bank that in order to become more Customer-friendly Bank, we should come out with Charter of its Services for the Customers. The Citizen Charter sets the key Standards of Banking practices that can be expected by Customers when conducting transactions with Banks, and provides guidance to Banks for adopting a 'Code of Conduct' for Customer Service and protection. The Citizen Charter aims to reach a good relation between the Bank and its Customers; and to promote good Banking practices by formalizing Standards of Conduct and Disclosure etc, which the Bank shall observe when dealing with its Customers. It outlines the type of Service we aim to provide, how to contact us and give us feedback, particularly if anything goes wrong; and how you can assist us to serve you better. Finally, this Charter defines a set of Customer obligations towards Banks, as well. **=more=**
